

Portable Solar Panel **200W**

BLACK MONOCRYSTALLINE DESIGN

Project Solar standard black-on-black monocrystalline. ETFE lamination contributes to durability and keeps panels light, sleek, and portable.

HIGH CONVERSION EFFICIENCY

200W rated power with up to 22.5% efficiency.

WATER-RESISTANT & DURABLE

Water-resistant & durable, converting more sunlight into clean energy with optimal panel performance in hot weather.

FOLDABLE CARRYING CASE

Accessible handle design with accessory pouch.

12 MONTH WARRANTY

We guarantee your satisfaction with a 30-day money-back policy and a 12-month warranty, ensuring that you receive a quality product free from defects.

PORTABLE SOLAR PANEL 200W

Keep your Power Bank charged with clean energy that can follow you off the grid. Perfect for emergencies, camping, festivals, and more.

Portable Solar Panel **200W**
